Don't Let Fear Prevent You From Receiving High-Quality, Long-Lasting Dentistry!

We offer several different **sedation options** here at Park Family & Cosmetic Dentistry! Whether you prefer to be relaxed or semiconscious or completely sedated, our **highly-trained doctors** can help you achieve the smile you've always wanted without anxiety.

Our **Nitrous Oxide** sedation is easy as you are completely conscious but relaxed as you wear a mask allowing the gas to flow in as you inhale. **Oral Sedation** allows you to take medicine prior to your appointment which puts you in a dreamlike state during your procedure. **IV Sedation** is available for surgeries where the patient is unconscious throughout the procedure. The patient wakes up remembering nothing!

If you have been putting off dental work due to fear, please contact us for a consultation on how sedation may be a benefit to you!

Respectfully,

*Mai Huynh-Le, DMD
Long Huynh D.M.D.*

**Thank You for 8 Amazing Years...
...and Many More to Come!**

On March 24th we held our annual Patient Appreciation Event marking PFCD's 8th Anniversary. Thank you to all who were able to attend and celebrate with us!

Homemade Asian cuisine, delectable desserts, drinks, live music and entertainment were just fractions of what made the evening extraordinary.

The most important part of the evening was **YOU; our patients!** Your testimonials at the podium and on camera, the thoughtfulness of your words whether said in a speech, to each other or to

team members directly, the energy you brought and your loyalty to Park Family & Cosmetic Dentistry is what makes this event so special!

This event is our way of saying thank you for your support and confidence in us over the years. Without your referrals, reviews and involvement in the practice, Park Family & Cosmetic Dentistry would not be what it is today. Here's to an amazing 2017 and we hope to see you all again next year for a bigger, better event!

3rd Annual Park Family Fun Day Event!

On Saturday, April 1st, Park Family & Cosmetic Dentistry hosted the 3rd Annual Park Family Fun Day Event!

Our families gathered at the home of our wonderful hygienist Kim; for a day of bonding, laughter, joy and above all, FUN!

With games, a bounce house, copious amounts of food and comradery, our team enjoyed a delicious pig

roast compliments of our Dental Assistant, Ana, and her husband, Ralph. Our dessert contest was a favorite, too, as we sampled many homemade family recipe desserts!

Many attendees of all ages participated in our dance-off whether it was a solo performance or group dance. There is so much talent amongst our work family! And I'm pretty sure the Tug-of-War contest was rigged as

the 15 children on one side of the rope dominated the 5 adults on the other side of the rope. Oh well, there's always next year!

Approximately 60 people were in attendance for this celebration. Drs. Long and Huynh-Le host this day for us twice a year and it is an office favorite! Thank you for giving the Team an opportunity to bond outside of the office and we look forward to next time!

Our Charity Committee welcomes anyone who would like to participate in any of our events!

Even if you can't physically be there we always welcome monetary donations as well!

Here are some of our upcoming events:

- **May 20th – Dentistry From the Heart**
- **June 24th – Beach Cleanup**
- **July – Harry Chapin Food Drive**

If you would like more information or would like to participate in any of these events, please call us!

We're excited to make a difference in the community!

Friendly and Professional

"I walked in with a problem, and walked out with a smile! Very friendly yet very professional staff. Having worked in a dental office for 49 years, and having no one but that office treat me for all of those 49 years, walking into a "strange and unfamiliar office" left me very apprehensive. The office and its operatories were totally neat, spotlessly clean and very "up-to-date." Dr. Bracho and his assistant Jessica put me at ease immediately. I was well informed about my particular problem and was given a choice of treatment. I could not have asked for anything more. I can highly recommend this dental office (especially Dr. Bracho) to anyone seeking an excellent dental experience."

Wear a Beautiful Smile

As You Walk Down the Aisle!

Whether you're the bride, groom-to-be, or in the wedding party... all eyes will be on you! Your guests will long remember—and tons of photos will capture—your gleaming smiles.

That's why "Smile Planning" should be at the top of your wedding "to-do" list.

Come in and talk to us about the smile enhancements you want. The more extensive the improvements, the earlier you need to get started.

You'll be happy to know we provide cosmetic dental treatments that fit your timeline, budget, and desires!

Let's Start the Conversation Today!

There's no better time than now to replace your missing teeth with a bridge or implants. By comparison, bridges are a quicker fix. While implants are the next best thing to natural teeth, they require more time and advance preparation.

You'll also need plenty of time if you're ready to realign your teeth with braces for that "picture-perfect" look.

You need only to view our before and after images of veneers

to appreciate the amazing results achieved with these gorgeous, ultra-thin porcelain shells. There's nothing else like them and they can be done quickly!

The Basics of Creating Your Dream Bridal Smile!

The good news is, even if your wedding date is only weeks away, we can offer a variety of last-minute smile boosters.

An in-office cleaning can eliminate some surface stains and keep your teeth glistening. It can also keep your gums healthy and your breath fresh. You don't want to say "I do" with dragon breath!

For an even whiter, brighter smile—professional bleaching may be your best bet. We'll be glad to discuss all the options available to you.
