Established 2009

with one final look back at 2018!

On December 15, 2018, many of PFCDD's Team Members and their family members ranging in ages from 12-93, volunteered at "Holidays Without Hunger" hosted by Meals of Hope. Donned with festive hats and matching T-shirts, every person had a job within our team to assemble and package fortified Apple Cinnamon Oatmeal meals for those in need this past holiday

season. In just 2 hours, combined with the other teams in the room, a total of 240,000 meals were assembled, exceeding our goal by 40,000 meals! Combined with the afternoon shift and the group stationed in Fort Myers, over 1 MILLION MEALS were assembled for those in need during the holidays!

**Thank you to all our caring volunteers!**

# 2018

**The Holidays brought so much joy to our office this year!**

We had so many things to celebrate and count our blessings for

this year! We had countless additions to our office! Both to our PFCD staff family and to our families at home!

We had loved ones delivered through debilitating illnesses, while some lost battles altogether. We laughed, we cried, we tried coquito!

We dressed up as fairies, walked for charitable causes, and posed for one too many pictures that we weren't ready for!

We basked in love, immersed in one another's cultures and shared in celebrations that may not be our own! We paid it forward year round in charity, traded Secret Santa gifts and even walked our very own Ugly Sweater Runway!

We divulged in homemade Pho, fried bananas from PFCD's very own botanical garden and competed in our first ever office Olympics!

We will have much more to share with you all in the next few months! **We're taking 2019 by its horns and invite you all to join us!**

We are starting our New Year right by packing it full with even more charity work than 2018. Not to mention this year we will

celebrate our 10th Anniversary in business!

**We know 2019 will be a year even better than the last!**  
**We are blessed to have patients ready to take on 2019 with us!**

**Thankful**

I have been experiencing Dental cleanings for over 55 years. Recently I had a cleaning by Victoria which was without a doubt by far the most professional and extensive cleaning I ever experienced.

Dr. Long has been my dentist the past seven years. His professionalism is exceptional and I highly recommend this dentist to all the people I know.
