**What did you have to do to specialize in Pediatric Dentistry?**

In 2013 I moved away from the warm-weather I was used to and ventured up north to Boston. I completed a specialty residency in Pediatric Dentistry at Boston University. After graduation I moved back to sunny Southwest Florida where I have been practicing Pediatric Dentistry since 2015.

**What else should we know about you?**

I am a member of the American Academy of Pediatric Dentistry, the American Board of Pediatric

Dentistry, and the Florida Academy of Pediatric Dentists.

**What do you like to do when your not in office leading our young cavity crusaders on the voyage to clean teeth?**

When I'm not in the office fighting sugar bugs and mouth monsters, I am busy spending time with family and friends.

*Make sure you schedule your child's next appointment with Dr. Ascunce!*
