

A Heartfelt Letter

Dear loyal patients of PFCD,

As I'm writing this note to you, our team at PFCD is busily preparing for our 6th annual Dentistry from the Heart this early November. Thank you so much for your support in many ways and for your encouragement to make this event a success like previous years. With your help and with the participation of volunteers and local businesses, we can provide free dentistry to over 200 patients in one day.

It has been a great year. You were invited to celebrate our 10th year in business in the spring with a carnival theme party filled with food trucks, balloons, popcorns, dragon dance, and basket giveaways... It was a humbling experience for us, knowing that our patients were here all along during the decade journey to build the PFCD brand.

Words cannot describe how grateful we are for your pouring love and trust. PFCD started in 2009 with 4 team members, and 10 years later, we are almost 40 strong, expanding our services to serve you better. As our organization evolves and grows over the years, we have always disciplined ourselves to put you, our patient, first. Constant never-ending improvement has been our quest and will always be as we propel into the future.

With thankful heart and much love,

Dr. Mai Huynh-Le & Dr. Long Huynh

Tooth Booth

I am 69 years old and for my entire life I have hated my smile because of my teeth. I have been searching for years for a cosmetic dentist who I could trust and who

has a great reputation in his field. When I met Dr. Long I knew he was a perfect fit for me. Dr. Long and his staff are professional, informative, and truly care about the success and happiness of their clients. Dr. Long changed my life. I love my smile and I am thrilled with the results.

BANANAS FOR FRIED BANANAS

Did you know Dr. Long has two healthy full grown banana trees on PFCD's property that he often tends to?! It's just part of our beautiful botanical garden at the office that we get to enjoy everyday!

- During our last two team meetings we each got to take turns peeling, slicing, coating and frying some FRESH bananas!
- This caused us to ponder on the thought that our patients should enjoy them too!

Keep an eye out on social media & our newsletters for when we will be frying up fresh bananas for our patient community at PFCD!

So thankful for the HEART of this team! It's absolutely true that leadership flows down. Thank you Drs. Long & Huynh-Le, JoAnn, Michelle and Heather! I feel like I am better everyday we walk together through life!

Our team's weekend away to ClubMed!

Here are a few things our team learned while spending the weekend at a financial seminar at ClubMed!

You're never too young to dance!

Upon arrival in St. Lucie, more specifically, Sandpiper Bay the team was greeted by a live band. Our team of doctors, hygienists and team leaders enjoyed dinner accompanied by music and plenty of dancing by the kiddos!

Better managing finances

Along with the dancing came plenty of learning! Our team spent a whole day learning how to better budget & leaning to plan for debt reduction their finances! One easy trick they learned?

To pack lunch rather than to go out each day for it!
