Giving Thanks!

On the Tuesday before Thanksgiving all throughout PFCD,

Our team got ready for a feast of Thanks prepared so thoughtfully. There was ham, cheesy potatoes, spanish rice, turkey galore. Not to mention all of the desserts and fantastic decor. Fried Vietnamese bananas for our patients to show gratitude.

Helped set our team up with a thankful attitude. Karaoke, giggles, and dancing filled the lounge. With food taking up most tables, there was no need to scrounge.

We smiled and laughed as loved ones arrived. We partied and boogied and before we knew it, it was five.

DENTISTRY FROM THE HEART

Our sincerest thank you to all 115 volunteers who helped serve 206 patients for our 6th Annual Dentistry From the Heart! Those hours you sacrificed and donated to the event helped provide 63 fillings totaling \$23,412 in free restorative treatment!

Teeth were flying as 68 extractions were performed making a total of \$22,135 worth in oral surgery donated services that day!

And our hygienists are probably still feeling it from Saturday as they saw 82 hygiene patients for a total of \$16,797! And the exams and x-rays totaled \$28,872 in diagnostic services! AMAZING JOB TEAM!

That's a total of
\$91,216
in free dental care!

We have had phone calls asking for the providers' information as some of the patients you saw that day are writing thank you cards! You have made a huge impact in our community and should feel proud of the kindness you spread. Thank you again, from the bottom of our hearts and we look forward to seeing you again next year!

Dr Eshra and his staff were fantastic!!! They were so kind and went above and beyond to help me. As I was on vacation at the time, Dr. Eshra and his staff stayed two hours past their closing time to care for me. They even came in on their day off to install my new fixed bridge! My teeth are beautiful!!! I will never forget Park Family and Cosmetic Denristry in Naples, Florida.
