"It's weird to say but I really enjoyed my appointment! Everyone is very friendly, they explain everything in detail, go over costs in detail beforehand and there's massage on the chairs. Highly recommend!" – **Renee S.**

Leadership Retreat

Over a rainy November weekend our Leadership Team and doctors went over to the East Coast to spend a weekend at the Club Med Resort to learn, train and bond together. Studying the "21 Irrefutable Laws of Leadership" by John Maxwell, our Team discussed ways to better serve our Team and our patients while living out PFCD's Core Values of Service, Love, Integrity, Pride and Commitment. PFCD is always learning and growing!

Patient Appreciation Event

On November 5th, PFCD hosted its 12th annual Patient Appreciation Event in beautiful Baker Park with 110 patients and guests in attendance. The ambience was perfectly set by a wonderful local jazz duo, as the music played was a wide variety of music during dinner and for after dinner fun! The drinks were flowing, and the plates were full of delicious Italian food catered by Rosedale Brick Oven.

This was a night filled with gratitude. An evening to celebrate our patients who have committed to better oral health. To celebrate our patients who are always there supporting our Charity Committee and our Community. The generosity these patients have brought to PFCD over the years is overwhelming and our hearts are filled with gratitude. With your help, to date this year, PFCD has donated over \$75,000 to charities near and far. And what a remarkable thing for so many people to support strangers in a time when many people were struggling themselves as well. We have the best patients, and we couldn't ask for a more caring group of people! We are so grateful for you and that you're a part of our Park Family.

Gratitude is contagious. Two of the youngest members of the PFCD Family, Suri (10) and Noor (6), spoke spontaneously and very confidently about the love and pride for the people they have in their lives. "Their words were heartfelt, and it showed that appreciation and gratitude have a ripple effect on our kiddos. Everything was done so beautifully, and it was so nice seeing so many familiar faces from our office," Alissa Campbell, RDH said when asked about her favorite moment of the night. "They both did it with confidence and poise," said CEO, JoAnn Toppin, "I think we have more spokespersons coming up in the ranks!" Several deserving patients received one of the indulgent gift baskets which were raffled off including (2) Wine, Cheese and goodie baskets with \$75 gift card to one of Naples phenomenal restaurants, (2) spa baskets with \$75 gift card to Woodhouse Day Spa and (2) chocolate, coffee and goodie baskets with \$75 gift card to Norman Love Chocolate. Congratulations to the winners! Our success is due to the loyalty of our patients. Their dedicated and caring hearts have helped PFCD grow from a small dental practice to what it is today. We proudly commit to serving you with integrity and love. You may enter PFCD as strangers, but you'll always leave as Family.
