APRIL

“Do the Right Thing” Marc Newberry Scholarship – Help us help those who “Do The Right Thing!” Please help support the Marc Newberry Memorial Scholarship!

In October of 2014, Marc Newberry received the “Do The Right Thing” award from the City of Naples. Marc took it upon himself to push numerous cars with occupants trapped inside to safety during a flood. When the “Do The Right Thing” committee, as well as the city council learned of Marc’s passing, they thought of a way to celebrate Marc’s life and his accomplishments. They created the Marc Newberry Memorial Scholarship and decided it would be awarded to a high school senior who was recognized for, “Doing The Right Thing.” Should you wish to donate, please make checks payable to: City of Naples Police Department, Do The Right Thing.

In the memo add: Newberry Scholarship
We will be collecting donations through April 22nd. ALL DONATIONS WILL BE MATCHED BY PFCDD!

Tooth Booth Reviews!

“After experiencing a myriad of medical facilities in the Naples area, yesterday I was treated at what I consider to be the absolute finest. At Park, from the front desk to the surgical room I was met with incredibly efficient, smiling and caring professionals on every level. Undergoing a complex extraction, Dr. Eshra and his Assistant Mariam worked in amazing unison with full knowledge and sensitive compassion. When I departed, my prescriptions were already called in, my insurance filed, my follow up appointment scheduled & charges delineated and discussed. Again, the very best...Thank You!” – Lennie J.

“Hands down the best dentist in the Naples area. Everyone is friendly and they get you in and out. Let’s face it, nobody enjoys going to the dentist. However, Park Family and Cosmetic Dentistry makes the experience as painless as possible!” – Pete M.

Our 2022 Team Appreciation Event was held on Saturday, January 29th at RPG Legends Garage and was the best yet! Surrounded by exotic cars, our Team and their guests had the privilege of listening to Wall Street Journal and New York Times best-selling author Tommy Newberry. Mr. Newberry’s “Optimal Me” presentation and thoughtful questions set us up for a day of introspective thinking, goal planning and exercises to help Team Members get closer to their personal and professional goals. Jason’s Deli provided monstrous and delicious sandwiches and salads to keep us fueled during the day. Once the seminar came to a close and we said goodbye to our honored guest, it was time to party! Complete with wine, beer and a delicious spread from Rosedale Brick Oven, dinner was consumed over fun music laughter and reminiscing with Team Members.

PFCDD strives to provide exemplary customer service with care and dental excellence. We are so grateful for the Team we have and how each one of those Team Members bring their own individual special something to PFCDD. Part of our culture here at PFCDD is celebrating our Team and our “wins”, and that’s why we hold our Team Appreciation Event. Every Team Member was presented \$100.00 for each year of service except for COO JoAnn Toppin, who received \$10,000 for her 10th Anniversary with PFCDD! And although all of our Team Members exude our Core Values of Love, Pride, Commitment, Service and Integrity, there were some Team Members which were recognized
