

Charity Corner!

JUNE

Youth Haven – We will be providing equipment for outdoor activities, water sports, indoor games as well as arts and crafts to set up Youth Haven for a summer of fun! Gift trees will be placed in both reception areas with tags hanging from them. Each tag has an item in need for the kids at Youth Haven. If you would like to help contribute to this wonderful cause, come on in, grab a tag, purchase the item and return it to our office by June 24th. Help put smiles on these wonderful children's faces!

JULY

Collier County Honor Flight

– This month PFCD is focusing on Veterans! October 8, 2022 is the next Collier County Honor Flight and we want to help those Veterans and their guardians who assist them on this trip! The mission of the Collier County Honor Flight “is to transport local Veterans to Washington, D.C. to visit those memorials dedicated to honor their service and sacrifice.” Since its inception, over 1,200 Korean and Vietnam Veterans have been able to travel and see these monuments which recognize their service to this country. On average, it costs \$500 for each Veteran and an additional \$500 for the guardian to fly with them. In addition to the trip itself, the Veterans receive custom made T-shirts and other memorabilia to commemorate the visit. We are looking to help lift the financial burden for these heroes! More updates to follow!

Additional Local Veterans Charity – We will also be working with a local charity. Details to follow.

Tooth Booth Reviews!

“As a person who has had traumatic dental experiences in the past, finding Park Dentistry has been a blessing. The environment is supportive and calming. Everyone at Park from the office staff to the dentists are true professionals. I especially have been impressed with both the quality of work done by hygienist, Linda S. and her positive, caring demeanor. I know I will continue to return to Park for any future dental needs.” – **Beverly H.**

“I HIGHLY recommend this very professional, organized and highly dedicated dental practice. Everyone goes the extra mile to make your experience a very positive one. I'm in the middle of restoring my teeth and the transformation already is soooo amazing. I chose Dr. Long Huynh as my restorative dentist and I'm very glad I waited to find him. He is highly skilled and as a hygienist for over 30 years I am thoroughly impressed with the results so far. Thank you!!” – **Jayne B.**

Meet Dr. Mouritsen!

Do you have Sleep Apnea? Let us introduce you to Dr. Mat Mouritsen!

Dr. Mat Mouritsen considers himself a lifelong student of all things dental health related and is constantly engaged and eager to learn. He has a passion for teaching and learning that has been the driving force in his career. As a mentor at the Spear Center in Scottsdale Arizona, he helped other dentists learn and understand many advanced concepts in dentistry.

As a lifelong learner, he has studied with some of the most prominent experts in the field of airway and sleep breathing disorders. As a member of airway prosthodontics, Dr. Mouritsen continues to study and learn together with doctors around the world finding new ways to better understand and treat breathing related health issues. He is particularly passionate about this because he has several close family members that have been affected by sleep breathing disorders including sleep apnea. His unbounded enthusiasm for helping people to find individual solutions that can result in dramatic changes in nighttime rest and overall health is a driving force for his patient care.

Dr. Mouritsen completed his Doctorate of Dental Medicine degree in Portland, Oregon at Oregon Health & Science University. He is a member of the American Dental Association, the Florida Dental Association, and the Academy of Osseointegration.

Born and raised in Northern California he spent many nights camping in the redwood forests. Mat met his wife Mary in Utah where they lived raising four children. Their family loved wandering in the Utah and Nevada deserts camping and riding/racing dirt bikes as a family. His passions include scuba, downhill mountain biking, racing dirt bikes, racing and building cars and any and all things fast and two wheeled.

To see how Dr. Mouritsen can help improve your quality of life, whether through dental treatment or airway prosthodontics, contact our office and we will gladly get you scheduled!

Insurance Update?

Have new Dental Insurance for 2022? Insurance can take hours to verify. To help ensure your 2022 appointments go smoothly, please email a photo of the FRONT AND BACK of your new insurance card and email it to Edith@myparkdental.com or call (239)263-1151. This advance notice is greatly appreciated and will help us better serve you at your future appointments. Thank you!

May 7th was quite the fiesta! With an inflatable bounce house and obstacle course along with soft archery, both kids and adults had fun showing off their athletic skills. Many laughs were shared as kids jumped until their legs could not jump anymore and arrows both hit and missed the targets as we challenged each other to be the Archery Master!

After working up an appetite, there were a variety of food options to fill our tummies and hearts! Thank you to No Borders – Great Cuisine and Rita's Italian Ice for providing delicious tacos, quesadillas, and of course ice cream and Italian ice! And a special thank you to Dr. Huynh-Le for preparing and serving her famous Pho. You can taste the love in every slurp full!

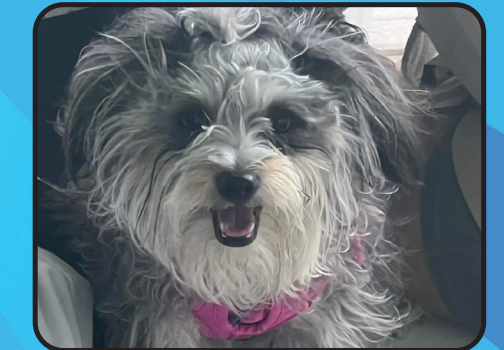

Humans weren't the only ones to attend!

Several fur babies (many clad in their Sunday best) were there celebrating the PFCF Family and had fun looking for whatever may have been accidentally dropped by one of the 60 people in attendance. Lucky dogs!

The night ended with both a children's pinata filled with candy and an adult pinata filled with little mini bottles of adult beverages followed by dancing and karaoke. The moves on the dancefloor were fierce but not as fierce as the karaoke! Unbeknownst to many of us until that night, our Lubis is quite the vocalist!

Thank you to all who attended and for the special something every one of you bring to this Team. Can't wait for the next one!
