AUGUST – SEPTEMBER

Collier County Honor Flight – This Fall PFCD is focusing on Veterans! October 8, 2022 is the next Collier County Honor Flight and we want to help those Veterans and their guardians who assist them on this trip! The mission of the Collier County Honor Flight “is to transport local Veterans to Washington, D.C. to visit those memorials dedicated to honor their service and sacrifice.” Since its inception, over 1,200 Korean and Vietnam Veterans have been able to travel and see these monuments which recognize their service to this country. On average, it costs \$500 for each Veteran and an additional \$500 for the guardian to fly with them. In addition to the trip itself, the Veterans receive custom made T-shirts and other memorabilia to commemorate the visit. We are looking to help lift the financial burden for these heroes! More updates to follow!

SEPTEMBER

Youth Haven – We are recommitting to Youth Haven and trying to provide services we have not met a need for in the past. The director from Youth Haven will be speaking to our Team in the next couple of weeks to see how we can further serve these children. Please follow our Social Media for future events and how you can help!

DECEMBER

Holidays Without Hunger – A Team favorite, Holidays Without Hunger is a day where we help package thousands of nutritious meals for economically needy families in SW Florida. Decked out in holiday fun, our Team sings, dances and has fun knowing that the meals we make will help a family go to bed with a full stomach.

SAVE THE DATE!

We are having our Patient Appreciation Event on **Saturday, October 22nd at 4:30 pm**. The event will be held at our office and we will be celebrating individual cultures which make up our PFCD Family. Enjoy food, drinks, music, and great company, all in honor of YOU! Invitations to the event will be sent out soon, so keep your eyes open for your opportunity to attend this awesome event!

Tooth Booth Reviews!

“Fantastic experience for someone with bad anxiety about dentists. Dr. Mouritsen was kind and patient in his explanations, Abby was quick and efficient with the x-rays and pictures, and Linda S. was the best hygienist I’ve ever worked with. Everything was completely painless and I was not uncomfortable at any point. If you have any reservations, don’t worry. This practice does things the right way.” – **Hunter W.**

“Today was my first appointment with the office. It was a very pleasant experience-from Erin at reception, Anna, Doctor Campbell’s assistant-Stephanie the hygienist and Doctor Campbell, I feel I am in good hands. I will definitely recommend this office!” – **Diane H.**

We're Always Learning Here at PFCD!

June 23rd – 25th was a weekend of learning and bonding for our wonderful PFCD Hygienists! There was a wealth of information to learn at the Florida Dental Convention in Orlando and our hygienists are excited to apply this knowledge to their patient care.

One of their favorite speakers was Uche Odiatu, DMD @fitspeakers. His session focused on how food and stress affect inflammation and how inflammation affects your overall health, including dental health. Did you know that 1 Vape cartridge equals 20 packs of cigarettes and contains formaldehyde? No wonder why there's a 30.8% of implant failures in people who smoke!

Not only was this an opportunity to learn, it was an opportunity for these women to bond as a Team! Staying at the Gaylord Palms Resort was not only beautiful but fun! Upon entering, you were encouraged to download an app which would allow you to go to specific spots in the hotel and when taking a photo in that spot, a hologram of an animal would appear! What an awesome way to walk off the charcuterie board which was delicious!

Your hygienists are dedicated to continuing education and have fun while doing it! Know you are in excellent hands with your skilled, caring and fun Hygiene Team!

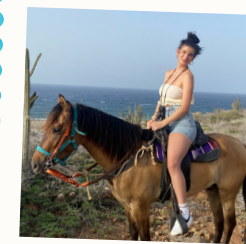

The Acosta Family – Catalina visited her family and friends in beautiful Cartagena, Colombia. The many sights and sounds not to mention the food were nostalgic favorites for Cata!

The Finch Family – They went back to Iowa for our summer vacation where Lance was in a wedding. They visited all the grandmas and had fun until They passed out!

The Huynh Family – After cruising the St. Lawrence River the family took a detour to Niagara Falls. Nothing like seeing the falls while cruising next to them!
Dr. Huynh-Le's review: "Epic!"

The Holt Family – Tiffany loves horsing around! Not a bad way to get around Aruba!

The Munoz Family – Alejandra had the amazing opportunity to visit her home country Colombia this summer and spend some time in Cartagena. Although the food was the best part, she also enjoyed breathtaking views!

The Kleinberger Family – Fourth of July at Terrie's house in NY was a huge hit. Between the delicious breakfasts with coffee and the tasty deserts with family and friends at night, Terrie had a wonderful and relaxing vacation!

The Scopu Family – Spending time with family in Serbia was heartfelt and memorable for Dr. Scopu and her family. After reuniting with loved ones, her family visited Greece for a beautiful vacation!

The Senecharles Family – Canada, eh? You betcha! Roberta and her family traveled to Montreal and enjoyed all the culture this city has to offer. Delicious food, friendly people, and beautiful sites!

The Steven Family – Sun, sand, pigs, and stingrays were part of the The Bahamas fun had by this mother/daughter duo!

The Becerra Family – One guess where Rebeca went for her vacation of fun!
