The best dental care I have ever experienced!!!! I am already referring all my friends and family to the Park Family!!!! 😊" **-Leig R.**

WOW WOW !!! for the first time in a long time I have found an excellent dentist. The staff in this practice is super excellent, friendly and very professional. The place is very clean, very comfortable and they make you feel comfortable and confident. I have no complaints about Dr William Campbell, an excellent doctor, 100% recommended, very professional, it shows that he knows what he is doing and takes very good care of his patients, a super nice person, he explains everything very well with patience and dedication. I loved this place. I recommend it with confidence and don't forget to ask for Dr. Crampbel. You won't regret it. **-Janet P.**

## FEBRUARY NEWSLETTER

TOOTH BE TOLD

# We Love Our Patients!

# Couple's Workshop

By Tommy Newberry

On February 4, some of our Team-members, patients, friends, and family, dedicated 6 hours to learning about healthier habits for marriage. Tommy Newberry provided us with very helpful information to maintain a prosperous relationship in our marriage.

Each couple was provided with a "Couples Planning" Binder. The binder consisted of three sections; "His, Hers, and Ours". The "His" and "Hers" sections' purpose was to allow each person to put together their thoughts, feelings, and ideas without being judged by the other.

The "Ours" section was personally one of my favorites. It consisted of putting a plan together, for the next 20 years, on "Etched Memories" that you would like to accomplish as a couple. This section not only allows you to set goals, but it is also a constant reminder of what you need to work on, as a couple, in order to achieve those goals.

There is no doubt that each couple left with a healthy and meaningful plan for the future!

## Team Appreciation Event 2023

Followed by the Couple's Workshop, was our Team Appreciation Event.

Our team enjoyed social hour with each other, along with fun music. After the delicious dinner, Dr. Huynh-Le and Dr. Long proceeded to awarding each Team-member based on their great performance through 2022!

Of course Dr. Long took the event as an opportunity to go around taking pictures with his camera, making us all feel like "Hollywood Stars".

All of the Team at PFCDD is very thankful to work at a place like this! Thank you Dr. Huynh-Le and Dr. Long!
