

Charity Corner

There have been many charitable causes we have participated in over the last few months including Laces of Love, the Florida Mission of Mercy and the Collier Honor Flight. In February, a team of people travelled to West Palm Beach to participate in the Florida Mission of Mercy, where thousands of patients were treated to free dental care over 3 days. And in April, our COO JoAnn accompanied a Vietnam veteran on the Collier Honor Flight to Washington, D.C. where they visited several monuments and memorials including the WWII Memorial as well as the Vietnam Wall Memorial.

Tooth Booth Reviews

"It took me a long time to find the right dentist, but I can finally say that I have found it. Dr. Eshra's professionalism and knowledge put me right away at ease. He gave me options for the treatment that I needed, and he has my best interest in mind! The assistants Anita and Mariam are very skilled and knowledgeable; they took amazing care of me! The best dental care I have ever experienced! I am already referring all my friends and family to the Park Family!"
- Leigh R.

"WOW WOW!!! For the first time in a long time, I have found an excellent dentist. The staff in this practice is super excellent, friendly, and very professional. The place is very clean, comfortable, and they make you feel comfortable and confident. I have no complaints about Dr. William Campbell, an excellent doctor, 100% recommended, very professional. It shows that he knows what he is doing and takes very good care of his patients. He's a super nice person, and he explains everything very well with patience and dedication. I loved this place. I recommend it with confidence, and don't forget to ask for Dr. Campbell. You won't regret it!" - Janet P.

Greetings PFCD loyal patients:

It was our pleasure to host you in March for our annual Patient Appreciation Event, celebrated in Culture Festival style. On behalf of our entire team here at PFCD, I would like to extend our gratitude to you for attending this special event. Moreover, we are honored to serve you, your family, and your friends with care and love. Thank you so much for your unwavering support and encouragement over the years.

When this newsletter arrives at your home, it will be graduation time for many families, ours included. Our oldest son, Dawson, is graduating from Naples High School. Dawson has excelled in academics as well as in music, playing the clarinet, being the Drum Major in the NHS marching band, and winning several music competitions as well as playing in All-State Band. He will focus on music performance when attending Florida State University in the Fall. Congratulations to all who are graduating this year.

As the season comes to a close, we realize that the demographics in Naples have changed with more year-round families settling in our little slice of paradise. Our dedicated team of professionals is here to serve when it's convenient for you. If you've been putting off making a visit during the past few months due to a busy season, now is the best time to get back on track. Safe and fun travels to all when you're making the trips up north or taking summer vacation. We are here for you, and we appreciate your patronage.

With love,
Mai Huynh-Le
Founder & CEO

Hallo! Ciao! Hola! Xin chao!

Norway, Italy, Cuba, Mexico, and Vietnam were just some of the cultures represented at our Patient Appreciation Event, Culture Style! With the smell of all the homemade international cuisine and the sights of beautiful traditional cultural clothing, patients enjoyed the relaxed atmosphere of that Friday night in March. Whether they sipped on wine or beer and listened to a variety of international music, or enjoyed the different spices, flavors and styles of food made with love by our team, guests experienced a Patient Appreciation Event like no other!

Quite the smorgasbord of delicious food, patients had their choice of sampling Mexican tamales, Honduran tacos, Canadian pancakes and maple syrup, sushi, Vietnamese spring rolls, Florida gator bites, Kentucky burgoo, Colombian empanadas, German bratwurst, Scottish banger rolls, Norwegian kringla and many other dishes as they took the worldwide tour of delectable food. From hearty and savory to sweet and salty, to fresh and crispy, there was a dish for everyone's taste! Speeches were given as well as gift baskets containing a mixture of snacks and drink were raffled off as a thank you for attending that night as well as for the constant support our patients show our PFCD Family. The night was turned upside down as patients took the microphone one

by one to express their appreciation of us which caused our hearts to melt and forged a deeper connection to and appreciation for our patients.

Patient Appreciation events are an opportunity for our team to express their gratitude to the patients who are the foundation of PFCD's success. Your loyalty over the past 14 years has been overwhelming. You have always been there to support us not only through your patronage but also as a vital part of our continued dedication to serving our community through our Charity Committee. This has helped PFCD become one of the most generous practices in the area and it's all possible due to the kindness, love, and support from our amazing patients. We say it every year, but words truly cannot express how grateful we are to have each and every one of you as our patients.

PFCD is home to 12 different nationalities, where each team member functions together as one team: one PFCD Family. Our Patient Appreciation Event invited team members and patients to celebrate our one world as one human family. Thank you for being a part of this wonderful evening and welcome to our family.

Insurance Update?

Have new Dental Insurance for 2023? Insurance can take hours to verify. To help ensure your 2023 appointments go smoothly, please take a photo of the FRONT and BACK of your new insurance card and email it to edith@myparkdental.com or call (239) 263-1151. This advance notice is greatly appreciated and will help us better serve you at your future appointment. Thank you!
